Students should arrive promptly in their ***full school uniform*** for their induction day.

Payment of €20 for ***locker and journal*** will be taken at the relevant induction, journals will be distributed, and lockers assigned during induction. This can be paid in advance on the app or in cash on return to school. Students should do **not** need to bring their books to school for their induction, a pen and paper will suffice. Books can be brought to school over the course of the first few days, once lockers are assigned.
